

HECTOR RAMIREZ

Front-End / HTML Developer | React • JavaScript • HTML/CSS • Git

hramir94@gmail.com | (779)-279-0100 | Willowbrook, IL | [Portfolio](#) | [LinkedIn](#) | [Github](#)

SUMMARY

Front-End / HTML Developer with hands-on experience building responsive, accessible websites using HTML5, CSS3, JavaScript, and React. Skilled in cross-browser compatibility, SEO-friendly markup, and performance optimization. Experienced with Tailwind, Bootstrap, and Git in Agile/Scrum teams. Passionate about pixel-perfect design, clean code, and delivering seamless user experiences.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Python, SQL

Frameworks/Libraries: React.js, Node.js, Express.js, Flask, TailwindCSS, Bootstrap, SASS

Databases: MongoDB, MySQL, PostgreSQL

Tools: Git, GitHub, Postman, AWS, VS Code, Figma, Adobe Cloud

Other: REST APIs, Agile/Scrum, Debugging, Accessibility (WCAG), Responsive Design

PROJECTS

Frontend Quiz App

Built with React, HTML/CSS, JavaScript, [GitHub](#) | [Live Demo](#)

- Built a dynamic, responsive quiz interface with subject selection and error validation.
- Implemented a light/dark mode toggle and reusable components for scalability.
- Added keyboard navigation and accessibility features (WCAG) for better UX.

Time Tracking Dashboard

Modular JS, JSON, HTML/CSS, [GitHub](#) | [Live Demo](#)

- Created a time tracking interface with daily/weekly/monthly views using JSON data.
- Wrote modular JavaScript functions for UI updates and dynamic DOM manipulation.
- Designed a fully responsive layout using CSS Grid and Flexbox.

JavaScript Library Tool

Custom JavaScript Library, [GitHub](#) | [Demo](#)

- Developed a lightweight JavaScript utility library for DOM manipulation and form validation.
- Built modular functions with error handling and browser compatibility in mind.
- Published project on GitHub with full documentation and code examples for developers' use.
- Designed an interactive demo page showcasing each function in real-time.

EXPERIENCE

General Warehouse Worker

Best Buy, Bolingbrook, IL | Jul 2016 - Present

- Operate a stand-up forklift and perform maintenance checks.
- Collaborate with the team to meet high-volume shipping quotas.

Web Developer Intern

RW Digital Market Media (Remote) | Jul 2021 - Dec 2021

- Built responsive websites using HTML/CSS and Bootstrap.
- Contributed to improving UX and team collaboration on projects.

Web Developer Intern

ooLango E-Learning (Remote) | Aug 2019 - Dec 2019

- Developed static pages using HTML/CSS.
- Worked closely with other interns in an agile development process.
